Tis the Season...

Cold and Flu Season, that is!

We've enjoyed unseasonably warm weather, but alas, temps are falling. Our Guests are already showing symptoms of colds.

Please watch your loved ones for signs of runny noses, watery eyes, sneezing, coughing, diarrhea, etc. Please don't risk the health of our other Guests and staff by bringing a sick loved one to Joy's House.

Critical Campaign Fundraiser Update

We are well on our way to reaching our goal! Community support has been phenomenal, as well as the support from so many of you, our fabulous caregivers. We are so blessed and thankful for so much kindness and generosity.

There was some confusion and misinformation that if we don't raise the funds, we will close by next month or by year's end.

THAT IS NOT TRUE! Yet, it is vital to raise these funds so that we can secure our future. If you have any questions, feel free to ask. In the

meantime, please continue to spread the word about the fundraiser. We still have a few weeks to go and we still need your help. Check out the front desk area for different businesses that are holding fundraisers for Joy's House.

Please share these ways to help:

Donate online at: joyshouse.org

Text to give: 20YEARS to 74121

PayPal: send to: finance@joyshouse.org

Mail: checks may be sent to:

2028 E. Broad Ripple Ave

Indianapolis, IN 46220

Volunteers Bring Smiles of Joy

As always, our volunteers have stepped up for our Guests. A group from Ascension Health helped with everything from Bingo to painting to fall decorating.

Top Row, left to right: Miss Willie is a Bingo winner!; Miss Jean and Miss Lula paint a craft with volunteers: **Right:** our fabulous friends from **Assistance League of Indianapolis** always bring festive fun to the party; **Bottom Row, left to right:** Mr. Hal, his smile, and his cool birthday hat!; it appears birthdays are exhausting for Miss Sh'Ron; Miss Claudia makes a birthday wish!
