

# At Home Activities

3 small dice

1 large dice

Paper and pencil for scoring

-----

- Sit everyone at the table.
- One person rolls the big dice to determine what number to roll for.
  - All 3 small dice are rolled.
- If the number that was rolled on the big dice comes up on any of the small dice the player gets a point and rolls again.
- If someone rolls all 3 small dice and it lands on the number rolled earlier it is a Bunco and the player wins.
- If someone rolls 3 of a kind but not the number on the big dice – it is worth 5 points.
- Play for 11 points or until someone receives Bunco!
